

Home-School Yearly Planning Guide:

Date: 20__-20__

Home-School Yearly Planning Guide:				Date: 20__-20__
Term 1:				
Fall	September	October	November	
Term 2:				
Winter	December	January	February	
Term 3:				
Spring	March	April	May	
Summer				
<p>TIPS: It is ok to have: sick days, mental health days, fieldtrips, organizing weeks, and reading breaks as needed. Celebrate family birthdays as school holidays and go somewhere fun in your community. Use vacations as educational opportunities. Do a unit on baking and just focus on Christmas in December. Work with the weather! The wet and colder seasons are great for getting school work done. Enjoy the sunny days when they come. If you have a move, wedding, or funeral take place, use it as learning experience.</p>
